

Arts and culture

Documentation centre

The "Documentation centre every-day culture of the GDR" became firmly established as an important institution within the cultural landscape. It found its domicile in the renewed former day-care centre in the Erich-Weinert-Allee rebuilt as a museum. It is the target of the institution to study and illustrate every-day life in the GDR.

Documentation centre

E.Weinert-Allee 3
15890 Eisenhüttenstadt
