

The Island

Within the urban area, embedded amid two arms of the Oder-Spree channel, the green lung of Eisenhüttenstadt, the recreation centre "Island" is situated. Here, away from any civilisation hectic pace, a neat park is situated, with the wide net of developed bicycle lanes and walks enabling pure relaxation.

Island hall

A present made by EKO Stahl GmbH to the town on its occasion of the 50th anniversary. The new Island hall is used for sporting events, but there are also ideal conditions for cultural events in the indoor event venue.

Skateboarding lane

Skateboarding lane, adventure playground and minigolfing park can also be found on the Island.

Zoological garden

The mini-zoo invites to see moufflons and wild boars, donkeys, deers and racoons. Even monkeys have a home there.
